Hello everybody!

Firstly we would like to wish everyone a very Happy New Year and welcome all returning and new clients of the Just Dogs Family, to 2017!

2017 is going to be a very busy and exciting year for Just Dogs and we look forward to sharing all the exciting news and having you all along for the journey.

## Leadville

We now have an office at Leadville Dog Park where we will be holding consultations and meetings, private and group lessons and utilising as a fun spot to take the Dog Jog kids!

Come along and have fun! With Reload Coffee Shop, Baybar Veterinary Physiotherapy and a Vetshop on site, it really is the place to be.

The farm is well under construction but still in need of a few key facilities before we launch our Medical Alert Dog project at the beginning of March. If you would like to get involved or make a donation towards NPC: Honey's Garden for Medical Alert Dogs SA, more information and our wishlist can be found on the website [www.medicalalertdogs.co.za](http://www.medicalalertdogs.co.za)

## Doggy's of the month

January's "Doggy's of the Month" goes to TARA, NUAGÉ and FEBI!

Even though Feebs gets the award for the best golden oldie, her sisters were not always as confident and fun loving.

However, with the support of the Dog Jog family and Leadville Dog Park, these beautiful girls have made incredible progress and now walk on a leash (this was super scary at first) and confidently hang out with friends!  
Good job girls!

We love you because you are pawsome!  
Thank you for being a part of the Dog Jog family
